NEW SOUTH WALES.—The 6d. has "O—S" in the upper corners in white circles.

ROUMANIA.—Stamps and cards of special design were to aave been issued early in May in commemoration of the 25 years' reign of King Charles I. They were for circulation in the interior only for 10 days.

LIBRARIAN'S REPORT.

The time for electing a new Executive of the C. P. A. being close at hand it behooves the members to be on the lookout for a Librarian. As intimated last month it will be much greater benefit to a larger number if the Library was situated in a city, say Quebec, Montreal, Toronto or Halifax, in any of which places a good and efficient officer could be secured by the Executive, when they come to the appointments to be made by them. On these latter will rest the future welfare of our Association. By electing a good Executive you are placing in their hands power also to appoint other officers of as great, if not greater, interest

Despite the fact that the Association is in a frightfully weak state at present, and that a good deal of thought and work will be required to place it on a sound business footing, the Library, I am glad to say has prospered and filled the bill, I may venture to say, to the entire satisfaction of our members. This has not been accomplished by my own efforts, but by the material aid and assistance of all the members in freely contributing, and by those who, in returning promptly all borrowed periodicals, have rendered an arduous task much easier than it would otherwise have been. The cost to the Association last year was only a few cents, and this year the expenditure has been merely nominal, so that it is no tax upon our financial resources.

I beg to acknowledge with thanks the receipt of the following:

	No. of Pcs.
Geo. H. Watson, Roselle, N. J.	326
E. F. Wurtele, Quebec, P. Q.	4
G. Hooper, Ottawa, Can	5
Total	337

Mr. Watson's magnificent efforts to build up our Library has exceeded our greatest expectations.

It has been suggested by a correspondent that Montreal have the Library for two years, then Halifax, then Toronto, and so on in rotation to all the cities. It

might be thought well, however, in view of the prodigious proportions, to keep the Library as long as possible in one place, where an efficient caretaker can be had.

J. R. HOOPER, Librarian.

SOMETHING NEW—A CANADIAN STAMP ALBUM.

I am now preparing an album with spaces for every Canadian Postage, Revenue and Telegraph Stamps, including varieties of paper and perforations. It will contain printed spaces for over a 1,000 stamps, besides every other page will be left blank for pairs, oddities and new discoveries. It will be printed on the finest bristol board, on one side only and will be bound in first-class leather binding. The leaves will not be bound to the cover but will be hinged in, in such a manner that the book will lie open without straining it. The work and material I will guarantee first-class throughout.

The price will not exceed $5, and may be somewhat less. This is my part. Now for yours. Before publishing the above I want to be sure that such an album is desired by collectors at large, and to test the feeling I make the following suggestions. If all collectors who would like a Canadian album such as I propose publishing, and will agree to take one or more copies at a price not exceeding $5 each, will send me their names, as soon as I have a guaranteed sale of 50 copies I will at once proceed with the work. Information cheerfully given.

WE have appointed Adrien Champion, of Geneve, Switzerland, our agent for Europe. He has our authority to receive subscriptions and advertisements for this journal.

THE coming Convention of the C.P.A. will be the most important in its history; in fact it seems to us that the very life of the Association depends on the action taken in amending our constitution and by-laws and in putting all the departments of the Association in working order, especially the exchange department.

IN another part of this number we publish the correct form of proxy to be used. The editor of this journal Mr. H. F. Ketcheson will personally attend the Convention at Belleville, Ont., next August, and any members who cannot be present but wish to be represented may send their proxy with a letter of instruction to him and they may count on having their instructions carried out.

"IT APPEARS quite certain that Chalmers first suggested the adoption of such a scheme as a necessary accompaniment of the Penny Postage system. It is, however, an interesting historical fact to learn that the use of that exceedingly convenient bit of paper, the adhesive postage stamp, dates from 1840, and that Great Britain was the first European country to adopt such a method of prepaying and stamping letters. The The stamps were first printed in slips from dies, gummed and cut off as used. Perforated sheets were introduced in 1852. This improvement was the invention of a Mr. Archer, for which he got the sum of £4,000. It is very likely a claim will now be put forward in the British Parliament for some suitable recognition of the services of James Chalmers in this connection. Such recognition will not benefit the inventor, but may help to keep his memory green as, in his time, a genuine public benefactor."—*Montreal Herald.*

S. ALLEN TAYLOR was brought to trial yesterday afternoon before Judge Aldrich, in the United States circuit court, on a charge of using the mails in a scheme to defraud. The claim of the government is that he issued circulars offering for sale certain rare postage stamps of foreign countries, when, in fact, he manufactured them himself. While Assistant District Attorney, John Murray Marshall, was addressing the jury in his opening of the case, Mr. Bordman Hall interrupted with objections to some of the statements. Finally Mr. Marshall appealed to the court asking protection. Mr. Hall replied that he had made no remarks except that he had directly addressed the court. Judge Aldrich suggested to Mr. Hall that there ought to be no interruptions other than to note exceptions. A

motion by Mr. Hall to quash the idictment was held in abeyance by the court, but will be renewed by Mr. Hall in the form of requests for rulings later in the trial. The point raised is that the circular gave sufficient warning that the stamps were not genuine. The case is still on trial.—*Boston Herald.*

JOHN R. HOOPER writing under the "non de plume" of *Canadensis* in *Mekeel's Weekly* takes this Journal to task for daring to nominate a ticket for C. P. A. officers. He calls us a subsidized organ and tells his readers that we have no right to express our opinion or offer a suggestion for the benefit of the Association. We do receive $50.00 per year for publishing the reports of the Association and consider we should have twice that sum, as 2 or 3 pages of our space is taken up in each issue which would bring $50.00 per page per year as advertising space. We give value for every cent we get from the Association and have always, and *always will,* express our opinions freely on all subjects even if a self-boomed nominee for President does object. The editor of this Journal has sent in more applications for membership to C.P.A. than any other member of the Association and during the past year out of 14 new members added to our Association, 9 of them were proposed by H. F. Ketcheson; during the same time Mr. J. R. Hooper has not secured a single application for membership. We leave our readers at large and particularly the C. P. A. members to judge who has the interests of the C. P. A. at heart, the editor of this "subsidized organ who tells the members who to vote for," or J. R. Hooper who tells his readers that there are "good men" in the field for president and that "J. R. Hooper" is one of them? However, we make the following suggestions to Mr. Hooper whereby he can redeem his reputation and add a couple of new members to the list. In one of his notes he adds that there are three aspirants for "Official Journal"; THE DOMINION PHILATELIST, *Canadian Philatelist* and *The Maritime Philatelist.* We would suggest that Mr. Hooper secure the applications for membership of the editors of the last two Journals as he should know that the "Official Board" will notappoint persons to office who are not members.

CORRESPONDENCE.

H. F. Ketcheson, Esq.:

DEAR SIR,—A great deal has been written lately about the cause of the actual depressed state of the C. P. A., and every one agrees that something should be done to change this. Now I think that the main cause of all this trouble is that some of the officers do not see that the Regulations and By-Laws of the Association are carried out. When the Rules have been decided upon, as being the proper ones, it is the duty of all officers from the President down to see they are properly observed. If they do not suit, then they should be changed as soon as possible. But this does not seem to be the case.

Take for instance the case of the President and Mr. Sicotte. Do you not think it would have been better, and more in accordance with regulations, if the President had made such a serious accusation as that of circulating counterfeit stamps, in a more regular manner; that is to instruct the Executive Committee to make an inquiry in the matter and report fully; It would then have been done in a proper way, and it would have saved the President from making an accusation he he could not substantiate.

The same thing applies to the accusations against the Exchange Superin-

tendent, was there ever a regular inquiry about those repeated complaints? and if this was not done whose fault is it?

Then again we have the Superintendent complaining that some people will not pay their accounts when called upon to do so. Did the Superintendent see that every one who was receiving stamps from him, had at first sent him stamps, or made a cash deposit, or given first class reference, as mentioned in the regulations?

This reference question could very easily be arranged. We have officers of the Association, or good reliable collectors, in all important places. Would it not be an easy matter for the Executive Committee to get a list of all the members who desire to use the Exchange Department, and get full information as to position and general character of each, and forward it to the Superintendent? This would be a guide to him, to insist, in certain cases, on a cash deposit, or extra caution.

Mr. Hooper's suggestions are very good and I hope the members will give him an opportunity to put them in practice. I am sure he will make a first-class Exchange Superintendent, which is the officer we are most in need of at the moment.

I think your ticket a very good one. I am sure Dr. Cameron will be a worker, and I hope that every one of those candidates will make up his mind, if he accepts nomination, that he is going to work from the beginning, and that everything will be done to boom the Association, and above all that they are to take good care that the regulations are carried out to the letter. I am sure Dr. Cameron will see to that anyway. Yours very truly,

A. E. LABELLE, C. P. A., 131.

MONTREAL, *June 1, 1891.*

* * *

2446 ST. CATHERINE STREET,
Montreal, *May 25, 1891.*

To the Editor of the Dominion Philatelist:

DEAR SIR,—The May number of THE DOMINION PHILATELIST has just come to hand, and it does one good to read the numerous letters which that particular number contains, coming as they do from members who evidently have the well being of the Association at heart. The Convention will meet in August, and it would be well if every member, either Canadian or American, having suggestions to make, would utilize the June and July numbers of your JOURNAL and air the views which each would like to have discussed at Convention and possibly acted upon. I think that Dr. Egerton T. Davis was right, when in the last number of your paper he expressed a doubt as to the wisdom of electing officers from any and all quarters of the Dominion. The working officers, as distinguished from the ornamental, must be centralized, if they are to pull together harmoniously.

In the current number of the JOURNAL I notice that Mr. Hooper gives notice of motion that at next Convention the annual subscription be reduced from two dollars to one. In the present condition of affairs I cannot think that motion a wise one, for the simple reason that unforseen contingencies may arise. The Exchange Department may again get into difficulties, and the Association

be called upon through its treasury to make good the deficiency. Were the Association in good working order, and the Exchange Department in good business shape, such a reduction in the membership fee might be advisable and would no doubt prove welcome. Do not begin by tieing the hands of the officers you are about to elect, for the time may come when they would be glad of the extra elbow room the present subscription gives to them. I wish to emphasize what I have just written, and will do so as follows: On the 25th April, 1889, the sum of $44.24 was sent to the Superintendent of Exchange by order of the President, to straighten out the affairs of his Department. The other day the Treasurer was again ordered to send the Sum of $100, and again for the same purpose! Your treasury is now in debt to the Treasurer.

There is another small matter to which I would like to direct the attention of members. By referring to Act IV, Section II, of the constitution, you will notice that the President, Vice-President, Secretary and Treasurer, are elected by the Association at large, and that they form the Official Board, one of the duties of which board is to appoint all other officers. Nominations are therefore not in order. It might be well for the members to remember this point when filling out their proxies, for their wishes therein expressed will no doubt carry great weight with the said board.

Before closing I would like say a word to those members who have not yet sent in their subscriptions for the current half year. The half year is drawing to a close; some 20 members are still in arrears, and if they will consider this a personal notice, I shall be much obliged and shall forward their receipts without loss of time.

I remain, dear Mr. Editor, yours truly,

CHAS. E. CAMERON,
Treasurer C. P. A.

PICTOU, N. S., June, 1891.

Mr. Editor:

It was not necessary for Mr. Sicotte to intimate that I should not have noticed his first letter. I was fully aware at that time of that fact. It was his wanton and uncalled for attack upon a faithful and painstaking officer that induced me to pay any attention to it.

His subsequent letter only tends to confirm the fact that he knows very little of the subject he has written about.

He apparently has not the faintest conception of the difficulties attending the successful and satisfactory operation of the Exchange Department.

He does not seem to realize that when members take stamps amounting in the aggregate to nearly two hundred dollars from sheets on circuit and neglect or refuse to pay for them that the Exchange Manager is powerless to enforce payment and consequently the claims against the department cannot be satisfied unless the money is forthcoming from other sources. I know that Mr. Grenny has made every possible effort to induce those in debt to the department to settle and has time and again sent the lists of names and amounts due, to the Executive. I have in many cases written repeatedly and tried all means to secure cash settlements but in quite a number of cases without success. The

Executive Board has considered the matter and decided that nothing would be gained by exposure or expulsion and hope to see the amounts paid through time.

The explanation of the falling off in membership and interest in Association work lies with the individual members and not with the Executive. The great majority of the new members added to the Association in the last eighteen months have been proposed by officers and not by private members of the Association. Again many of the advanced collectors have either sold their collections or hesitate to place good sheets on circuit owing to the uncertainity of receiving returns.

It is a lamentable fact that some of our professional members whose positions and calling should place them above suspicion of dishonesty are notoriously backward in settling their bills and have caused the Exchange Superintendent and Executive no end of trouble.

Mr. Sicotte's remedy for all this trouble is heroic he says "let some one who understands his work better replace him."

Had I less regard for the future of the Association I should earnestly hope that at next convention the members present would be induced to place as high an estimate upon Mr. Sicotte's abilities as he does himself and appoint him Exchange Superintendent, and thus relieve the situation.

Mr. Sicotte's defence of his Mexican "rarities" does not do him much credit. He unblushingly acknowledges that he is in correspondence with a party who was so dishonorable as to write "Counterfeit," &c. on the pages of the book containing them with the obvious intention of preventing their sale, and afterward securing them by private arrangement for himself.

A. J. CRAIG.

BRANTFORD, June '91.

H. F. Ketcheson, Esq:

DEAR SIR,—My attention has been drawn to a letter appearing in your last number over signature of P. Sicotte, in which my name figures as an Exchange Superintendent of C. P. A. who does not perform the duties of his position. I emphatically and positively deny this allegation, as I have always to the best of my ability discharged as promptly as possible, what I considered to be my duty to the Association.

Because the Exchange Department does not work to suit each and every individual member's ideas, a few (very few) members have rushed into print, with complaints that Exchange Department is improperly conducted. I will refer to the Clark matter first. Mr. Clark's letters appeared in the Dec. number 1890, not last Feb. as erroneously stated, he says, "Sent in sheets, until about Aug. 1889 Below, I give dates of receipt, No. and value of each consignment.

May 31st, 1889,	5	sheets,	value	$25 23
June 21, 1889,	17	"	"	83 32
July 5,	6	"	"	22 53
" 22,	6	"	"	39 17
Sept. 24,	7	"	"	37 40
Nov. 9	12	"	"	96 18
" 30	19	sheets and 1 cover	value	128 02

Dec. 22	"	6 sheets, value	. . . . .	30 41
" 28	"	7 " "	. . . . .	31 14
Jan. 17, 1890,	10	" "	. . . . .	11 30
	96	"		

So that it appears ⅔ of the sheets were sent in after Aug. '89. In Mar. '90, $20 cash was paid and in May $10.00 cash, by Exchange Department in Aug. '90 (all sheets having been returned to owner) a balance of $12.38 was due Mr. Clark, which was paid on 14th January, '91, or as soon as funds were available for that purpose.

Mr. Sicotte refers to Report of Committee to Convention, adopted 12th Aug. last, and asks if Supt. has adopted the suggestions. I would like to know which of them I have not endeavored to carry out! If Mr. Sicotte reads the official organ he will see that I have duly acknowledged receipt of sheets from members. As all sheets were printed on back same as A. P. A. sheets with "By the Superintendent" first on list. I would like to know by what authority he ventures the assertion that I had first choice from his sheets. It is nevertheless a fact that I was entitled to first choice, on 10 sheets out of the 14 received on dates as follows.

Jan. 2nd, 1890,	2	sheets, value	. . . . .	$25 01
" 20,	" 2	" "	. . . . .	22 63
Mar. 14,	" 2	" "	. . . . .	55 66
April 7	" 2	" "	. . . . .	157 85
" 12	" 1	" "	. . . . .	45 40
" 24	" 1	" "	. . . . .	40 72
July 3.	" 4	" "	. . . . .	46 03
	14	"		$393 30

These stamps were a remarkable lot in more ways than one, one of which was their very high prices. I not only render quarterly accounts, but monthly to those members who are indebted to department.

Mr. Sicotte says he was compelled to pay for stamps taken from exchange sheets, when he was a creditor for much larger amount. If he paid anything, it is not known to me, as I received no money from him direct, he being a member of the Montreal Branch. I was requested by the Branch Manager at its formation to keep the account of all sheets sent in from its members, and the Branch Manager would pay cash for all stamps taken from Exchange Books when statements were rendered at regular half-yearly balance 1st Feb'y and 1st Aug. On June 16th, '90 5 sheets were returned to Mr. Sicotte at an average of about 4 months after their receipt by me. No Exchange Books or Sheets are circulated during July and Aug. of each year by this department. Of the other 9 sheets, 4 were received 3rd July, and could not be circulated until Sept., and as sales on the other 5 had been very light, I sent the 9 sheets out again on 2nd Sept. on an extended U. S. circuit of 12 members. They came back to me on 27th Dec. '90, and were returned to Mr. Sicotte on 3rd Jan'y '91, together with a post card written by Mr. Gurdji, of Texas, with comments on the quality, &c, &c., of the stamps. As this card is addressed to me will Mr. Sicotte kindly return it to the owner.

The 2 stamps mentioned as 4 and 82 of 56-63 of Mexico are split provisionals on part of original envelope, and were unquestionally *genuine.* So much could not have been said for a number of the others, Sattello surcharge, 3 acatecas, price $20 or $25, etc., etc.

The Exchange Superintendent is very willing and ready to yield up his fat office to anyone who understands the work better (or worse) and trust that some one will be selected who will give the greater satisfaction demanded by Mr. Sicotte.

F. J. GRENNY.

Re CANADIAN REVENUE STAMPS.

QUEBEC, *June 13, 1891.*

To the Editor of the Dominion Philatelist:

Having obtained the following Quebec Law Stamps, and which I do not remember to have seen mentioned before, I desire to advise you of the issue, trusting that the information may prove useful to collectors of Canadian Revenue Stamps.

In the latter part of 1889 the Quebec Government issued three stamps similar in design to the issue of 1870. Full length figure of justice in the centre, "Law Stamp" in straight line accross the top, below in curved line "10 dollars 10," on the left "Province," on the right "of Quebec," across the bottom in a wavy line the value in words. 1889, 10 dollars, yellow; 1889, 20 dollars, green; 1889, 30 dollars, violent brown. The Government have issued only 500 of each of the two higher values, and as it is not their intention to issue more, having found that the $10 stamp will meet the demand, the two in question will become very scarce.

Yours very truly,
ERNEST F. WURTELE,
C. P. A. No. 9.

THE COMING CONVENTION.

The C. P. A. Convention will open in Belleville, Ont. on Tuesday, August 25th and we hope to meet a large number of you there.

Belleville or as it is sometimes called "The City of the Bay" is beautifully situated on the Bay of Quinte, an arm of Lake Ontario, and is easily accessible by either rail or boat. It is the most beautiful city in Ontario and viewed from the bay presents the appearance of a vast forest so numerous and large are the shade trees.

First-class hotel accommodation can be had for $1.50 and 2 00 per day and if preferred visitors can stop at the "Massassaga Park" Hotel, which is 4 miles from the city and which has hourly connection with the city by boat.

The scenery along the Bay of Quinte rivals the Hudson in beauty while the maskinonge and bass fishing in its water are not surpassed if equalled on this Continent. Maskinonge are caught weighing from 20 to 60 lbs., while bass of 4 and 5 pounds are plentiful.

Members desiring a summer outing could not do better than attend Convention and spend a few days along the shores of our bay.

The editor of this Journal will see that every aarangement is made for the accommodation and comfort of visiting members.

We would like all who intend attending Convention to drop us a card that we may know about how many to expect.

Address H. F. Ketcheson, box 499, Belleville, Ont.

We will gladly furnish intending visitors with any information we can.

MONTREAL, June 16th, '91.

To the Editor of the Dominion Philatelist, Peterborough, Ont.

DEAR SIR,—I was pleased to read in your last edition, letters from several of our members who are endeavoring to create an interest in the workings of the C.P.A. and I congratulate them for it, and sincerely hope it will result in an enthusiasm that will bring the Association to a sound and permanent footing.

I am sorry my absence in Europe all winter has prevented me from a more active participation in the affairs of the Society and as published from time to time in the official organ. There is still room for many more such letters of condemnation as have lately been written and although I have no desire to be classed as a "Grumbler" I must also condemn the present administration, but do not do so as an onlooker, but as one having the welfare of the Association at heart and willing to do my share for the benefit of the members as a whole and not any individual person or persons.

I endorse Mr. Sicotte's letter in the last issue of the DOMINION PHILATELIST but take exception to some remarks which might be misconstrued, though I do not say that he meant nothing but well by them and I consider his letter the substance of a good deal of discussion at the annual meeting.

As a member of the Committe on exchange business last year I certainly uphold all we then advocated, but Mr. Greeny cannot be wholly blamed, as the rules and by-laws were to my knowledge never enforced by the "Executive" and hence the present conglomeration of opinions as to who was trying to run the Association; Mr. Craig who did not run it? Mr. Grenny who tried to run it through the Exchange Department? or the Executive Committee who did not try?

There is certainly a great deal of room for improvement in our Exchange Department if no favors are to be given or expected and this must be perfectly understood before the election of the Superintendent whoever the candidate may be.

Mr. Hooper calls forth from me an answer why affiliation with Dresden city for Exchange purposes did not materialize. I may state that I was requested at the last Convention to write for information, but was not aware that it was official; but shall be pleased to impart this information to the coming Convention, as I shall endeavor to be present to discuss the more important matters at stake.

I heartily support Dr. Cameron for President and consider the choice A-1. I also concur in the move to have the Executive Committee in one city.

I was, I believe, elected at the last annual meeting 1st purchasing agent of the C. P. A., but I observe that my name has never appeared in the list of officers of the Association and consequently have never received any enquiries from members or business with this office. In connection herewith I suggest the appointment of one of our live New York members as the proper person for this position, as being there in the heart of the stamp trade many opportunities not accorded to any Canadian would be at his command and he would and could do better for all purchasers and more satisfaction to himself.

Hoping to see a large and enthusiastic number of members at the Convention,

I am Mr. Editor, very truly yours,

JOHN E. SHULTZE, C. P. A. 138.

Keep the Works in good order.

NORMAN, Ont., January 15, 1890.

W. H. COMSTOCK, Brockville, Ont.

DEAR SIR,—Your "Dr. Morse's Indian Root Pills" are the best regulator for the system that humanity can use. Life is as the time-piece: frail and delicate are many of its works. A tiny particle of foreign substance adheres to the smallest wheel in the works, and what is the result?—at first, only a slight difference is perceptible in its time-keeping, but wait you; as the obstruction grows, the irregularity becomes greater, until at last, what could have been rectified with little trouble, in the beginning, will now require much care in thoroughly cleansing the entire works. So it is in human life—a slight derangement is neglected, it grows and increases, imperceptibly at first, then rapidly, until what could, in the beginning, have been cured with little trouble, becomes almost fatal. To prevent this, I advise all to purify the system frequently, by the use of Morse's Pills, and so preserve vigor and vitality.

Yours faithfully,
H. F. ATWELL.

DEAR SIR,—For many years, I have been a firm believer in your "Dr. Morse's Indian Root Pills." Not with a blind faith, but a confidence wrought by an actual personal experience of their value and merit. My business is such that I spend much of my time away from home, and I would not consider my travelling outfit complete without a box of Morse's Pills. Yours, &c.,

DEAR SIR,—This is to certify that I deal in Patent Medicines, including various kinds of Pills. I sell more of the Dr. Morse's Indian Root Pills than of all the others combined. Their sales I find are still increasing. Yours, &c.,

THE BEST FAMILY PILL IN USE

FOR SALE BY ALL DEALERS

Keep the Works in good order.

NORMAN, Ont., January 15, 1890.
W. H. COMSTOCK, Brockville, Ont.

DEAR SIR,—Your "Dr. Morse's Indian Root Pills" are the best regulator for the system that humanity can use. Life is as the time-piece: frail and delicate are many of its works. A tiny particle of foreign substance adheres to the smallest wheel in the works, and what is the result?—at first, only a slight difference is perceptible in its time-keeping, but wait you; as the obstruction grows, the irregularity becomes greater, until at last, what could have been rectified with little trouble, in the beginning, will now require much care in thoroughly cleansing the entire works. So it is in human life—a slight derangement is neglected, it grows and increases, imperceptibly at first, then rapidly, until what could, in the beginning, have been cured with little trouble, becomes almost fatal. To prevent this, I advise all to purify the system frequently, by the use of Morse's Pills, and so preserve vigor and vitality.

Yours faithfully,
H. F. ATWELL.

DEAR SIR,—For many years, I have been a firm believer in your "Dr. Morse's Indian Root Pills." Not with a blind faith, but a confidence wrought by an actual personal experience of their value and merit. My business is such that I spend much of my time away from home, and I would not consider my travelling outfit complete without a box of Morse's Pills. Yours, &c.,
M. R. MCINNIS.

DEAR SIR,—This is to certify that I deal in Patent Medicines, including various kinds of Pills. I sell more of the Dr. Morse's Indian Root Pills than of all the others combined. Their sales I find are still increasing. Yours, &c.,
N. L. NICHOLSON.
